Dear Mario Peña,

I'm writing to you regarding LRK International SA de CV web developer opening, which I discovered on Indeed. I'm a current student of University of Colima in the last year of Technologies of Internet Engineering. I'm interested in working for LRK International SA de CV because I want to receive experience and interest in web developer as young personnel to LRK International SA de CV.

During my time at school I did many projects of this type of work, I did web page using HTML, JavaScript, CSS, PHP, also I did databases with MySQL and CMD. I also redesigned our website increasing visitor clicks by 40% and customer purchases by 20%.

I'm looking forward to discussing the position and my qualifications with you in more detail soon. I feel confident that I fulfill the requirements for the web developer position. You can contact me at 3121253980 or by email at canguiano12@ucol.mx. If I have not heard from you in a week, I will reach out to you again. Thank you for your time and consideration.
